## We've received your fast app submission

ONLINE MS IN DATA ANALYTICS ENGINEERING

Dear Könyves,

Congratulations on taking the first step in advancing your career with the Online MS in Data Analytics Engineering (DAE) program from the College of Engineering at Northeastern University! After reviewing your Fast App submission, we recommend that you take preparatory coursework before joining the DAE performance-based pathway courses.

Based on the information you provided in your Fast App, our faculty recommend completing the following course(s) before starting the Online DAE performance-based pathway:

- [Crash Course on Python](#)

Once you've completed the recommended course(s), [let us know you're ready to start the DAE pathway](#).

If you have any questions about the program or admissions process, please reach out to us at [engineering-fastapp@northeastern.edu](mailto:engineering-fastapp@northeastern.edu) or send us a text at 617-344-9988.

th

Sincerely,
